## 2025 Conference in Applied Econometrics using Stata, France

May 22-23, 2025 | Marseille (France)

The conference aims to welcome quality research in applied econometrics from all fields using Stata to perform their analysis. It will not be focused on the presentations of user-developed commands but will offer the opportunity to present applied works developed in Stata.

We welcome submissions in all fields of economics and econometrics and in particular labour economics, human mobility, financial markets, development economics, microeconometrics, macroeconometrics.

### Keynote speakers

- **Barbara ROSSI**, University of Pompeu Fabra
- **Andrew CLARK**, Paris School of Economics

### Key dates

- Submission: **until February 14, 2025**
- Decision to authors: **March 10, 2025**
- Registration: **until April 3, 2025**

### Submission

To submit your complete paper in English:  
<https://statafrance2025.sciencesconf.org/>
